## BICESTER

Bicester is at the forefront of the UK's growth plan with excellent infrastructure and land supply - enabling rapid expansion. The current population is 32,000 persons which by 2031 is set to increase to 50,000 (Cherwell District Council).

The town has easy access to both Junction 9 and 10 of the M40 as well as to the A43 and A34.

Bicester has two mainline railway stations providing a fast and reliable service via Chiltern Rail to London, Birmingham and Oxford. Bicester is also one of the stops on the route of East West Rail, which will link Oxford with Cambridge via Milton Keynes.

The transport strategy for the town includes plans for the entire transport network leading to reduced reliance on the car.

## THE PROPERTY

This lovely Victorian stone building dating from 1882, originally designed for public use, was subsequently converted to offices - retaining many of its original Gothic features.

It has two principal floors of modern office accommodation in a mix of open plan and private rooms. There is an extra balcony level, linking with the first floor and could be used for private meetings or as a Board Room.

There are views over modern day Bicester, including Bicester Village. The building offers many qualities with architectural features such as arched windows with stone surrounds, two grand staircases, wood panelling and ceramic floor tiles.

The property provides opportunity to present a significant statement for clients as a head or regional office for a business or organisation.

## LOCATION

St Edburg’s Hall sits within a fantastic location. A full range of amenities, facilities, car parks and communication links are within just a few minutes’ walk. Bicester Village, with its Railway Station and Bicester town centre are on the doorstep.
